Behavior Policy

In order to ensure that the OneVIBE Camps are a safe and supportive environment for all campers, we follow a strict behavior policy. All campers will show respect for themselves, other campers, and the OneVIBE staff. Campers are expected to use appropriate language, follow the directions of the counselors, and refrain from any behavior that will emotionally or physically harm another camper. If a camper is displaying behavior that is not consistent with these expectations, the proceeding steps will be followed:

1. Verbal warning from the counselor – The counselor will take the camper aside from the group and discuss why the behavior is unacceptable and focus on helping the camper exhibit the desired behavior.
2. Conference with the Camp Teacher – The Camp Teacher will schedule a conference with the parent or guardian and the camper to discuss continued inappropriate behavior.
3. Dismissal from camp – If the behavioral issues have not been resolved, the camper will be dismissed from camp. No refunds will be given for campers sent home for behavioral reasons.

I have read and understand what is expected of my child while attending the OneVIBE Camp. I understand the policies in place for managing any inappropriate behavior and understand that a refund will not be given for any campers dismissed for behavioral reasons.
